

Take One Picture Challenge!

Inspired by the 'Take One Picture' initiative it's time for a GBPA art challenge.

Everyone is going to use the same picture as their inspiration and create their own version of it.

This can be done with whatever you have to hand, the more imaginative the better!

You could recreate the picture using paint, collage, natural materials you have found, recycled materials, material (use your clothes), pasta, Lego or other construction materials, buttons, people in your family, cake (yes cake) etc...

Send your photos into school and we will upload them onto the school website for everyone to see how creative you've been.

So, here is the picture...

Get inspired and get creating!

Arnolfini Portrait by Jan van Eyck

Photos to be in by **Friday 22nd June** so you have two weeks to create something amazing.

I've added examples on the next pages to get you inspired...

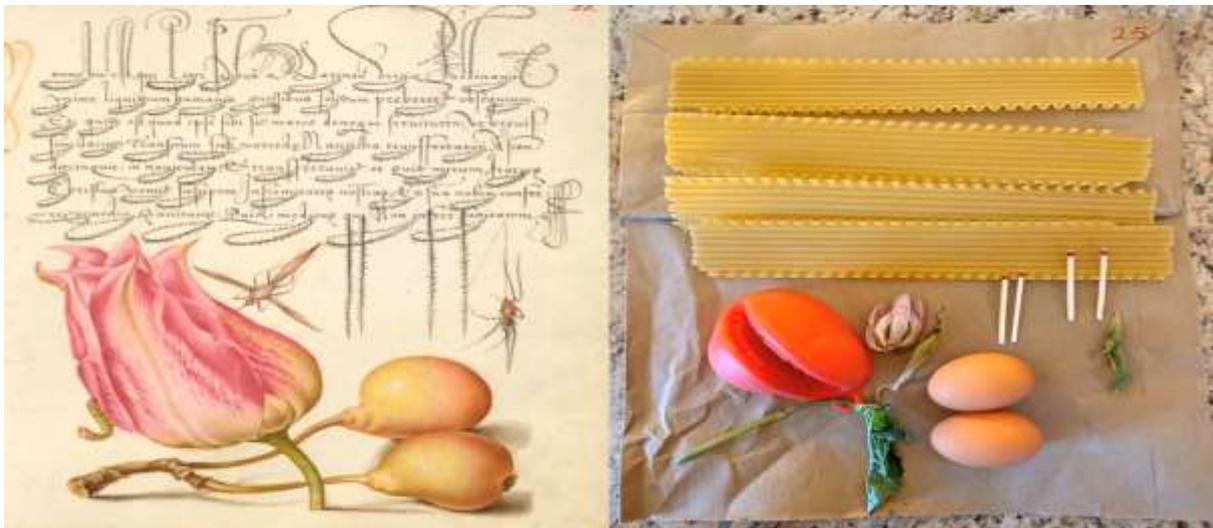

Self-Portrait by Frida Kahlo
