

Subject: communication moving forward

Date sent: 23rd March 2020, 1:27pm

Great Barford C of E Primary Academy

Dear Parents and Carers,

I just wanted to let you know that if your child left anything at school before we closed on Friday there are boxes labelled with their class name on the school drive with everything that we have collected inside.

On Friday, we gave every child in Y1-6 an exercise book to complete their work in if they choose to. We have put named books in the baskets on the drive for all those children (Y1 –Y6) who were not in school on Friday if you would like to collect them. If you would rather not that is absolutely fine.

The boxes will be on the drive all day today and will be put out again tomorrow. Anything left after then will be kept in school until we open fully again.

Thank you for those of you have been in touch with us about the issues you have experienced with the work on the school website. We have made adjustments already and this will inform how we upload work as we move forward. If you do need, help with logins etc. please let us know and we will be in touch as soon as possible.

From tomorrow, we will have a very reduced staff on site. If you need to make contact, please email admin@gbpa.org.uk our admin email will be monitored and your emails will be passed on accordingly. Our usual response times will inevitably be extended.

I hope you and your families are all keeping well. We are genuinely missing you all. School is a very strange place with only 7 children.

Kind regards,

Sarah Evans

Headteacher
