

Subject: Week 6 home learning

Date sent: 10<sup>th</sup> May 2020, 3:41pm

## Great Barford C of E Primary Academy

Dear All,

I hope that you have all had a good bank holiday weekend and enjoyed the VE day celebrations.

The home learning for the coming week is now available on the school website. We have had a few issues regarding the video clips this week. If there isn't one on your year group page yet, don't worry. As soon as we have sorted it out they will appear. The plan is for each year group to have an audio or video message from the class teacher each week.

From Year 1 upwards there is also an opportunity for children to contribute to their Purple Mash class blog. It was great to see more activity on the blogs last week and we look forward to seeing more shared work, pictures and messages this week too. For those year groups where the blog is a new addition, you will find the instructions on the class home learning pages.

Thank you for all the lovely messages about the letter sent mid-week last week, as well as picture message we posted on the school website. I'm so glad so many of you enjoyed it. We really enjoyed making it and I'm pleased the email was helpful too.

Please look out for some information gathering emails that I will be sending over the next couple of weeks. If you could respond as quickly as possible to these it will really help us with our future planning.

Take care,

Sarah Evans

Headteacher
