

**Text title: The Iron Man by Ted Hughes Chap 3**

|   | <b>Questions:</b>  | <b>Pupil Answers:</b> |
|---|--|-----------------------|
|    | Why was the table cloth sagging in the middle?                                 |                       |
|   |  |                       |
|   |  |                       |
|    | How did the farmers feel when they realised the Iron Man had freed himself?    |                       |
|   |  |                       |
|   |  |                       |
|   | Where do you think Hogarth is taking the Iron Man?                             |                       |
|   |  |                       |
|   |  |                       |
|  | What is the effect of the family being split apart by the crack in the ground? |                       |
|   |  |                       |
|   |  |                       |
|  | What did the farmers do immediately after they knew the Iron Man was free?     |                       |
|   |  |                       |
|   |  |                       |
|  | Give 3 bullet points of what happened in this chapter.                         |                       |
|   |  |                       |
|   |  |                       |
