

Subject: Summer term begins

Date sent: 19<sup>th</sup> April 2020, 11:43am

## Great Barford C of E Primary Academy

Dear All,

I hope that you have all had a peaceful Easter, that you and your families remain well and that the Easter Bunny was able to make the usual deliveries despite the current restrictions.

School remained open over the Easter break and we were able to support children and families from other local schools and settings as well as our own. Numbers are low but this does help with social distancing.

So, the summer term begins tomorrow and the work we have set for the children is now visible on the school website. Please remember what I said previously about home working. We know that it is difficult and the most important thing is that your children are safe and protected against the virus and everyone's mental health and well-being has to be the priority at the moment. The work is there as a support and guide for you to use when the time is right for you and your children. As I said before there are so many things that your child can be doing. They will still be learning important skills.

If you need to contact us or have a message or an update for us please do so via [admin@gbpa.org.uk](mailto:admin@gbpa.org.uk). Mrs Meadows is there manning the email and will pass on your messages to the rest of us. Although we are not in school for much of the time, our staff are busy beavering away planning and organising for the future and for when we can all be together again.

Take care and keep safe and well.

Kind regards,

Sarah Evans and the GBPA Team
