Nursery and Reception dropping off and collecting arrangements for week beginning Monday 3rd December

The Reception outside play area will be open again on Monday 3rd December so the children in Doves and Robins should be dropped off and collected from the Reception play area.

The nursery playground will be closed on Monday so the Ducklings should come to the glass doors opposite the main reception. On Tuesday, the children can be dropped off and collected from their own playground.

Thank you for your patience whilst we make these improvements to our school.

Well done to the Swan class who held a book and toy sale this week. They raised £50. for 'Stand up to cancer'

There have also been several groups of children as well as individual children raising money for their chosen charities this week. These children are to be commended for their desire to show compassion to those good causes, for organising their event and for raising much needed money for their chosen charities.
