Great Barford C of E Primary Academy

Dear All,

I am sure that you will have heard that major announcements have been made regarding schools this evening during the Prime Ministers update.

We have been told that all schools will close on Friday 20th March for the foreseeable future. However, schools will reopen for some children to enable key workers to do their jobs. As yet I do not know how this will look but I will email again as soon as I have a clear picture and I am able to give concrete information. This may not be until tomorrow or the day after.

I will also share plans for home learning over the next two days.

Thank you again for all of your support,

Kind regards,

Sarah Evans

Headteacher
