

Subject: Week 2

Date sent: 29th March 2020, 9:53pm

Great Barford C of E Primary Academy

Hi Everyone,

Hope you are all well and settling into the new routine.

School seems like a very strange place at the moment. We are missing all the children, it's far too quiet

Next weeks work, week beginning Monday 30th March, is now available on the school website under the School Closure Resources tab. Last weeks work can also be found on the same page.

Donna Gower, our Family Support Advisor and wellbeing advocate, has another suggestion that you and your children might like to try this week. She has been looking at the wonderful rainbows that children around the country have been putting in their windows and this gave her an idea.

Donna wondered if the children could think back to when she worked with them during her wellbeing sessions and talked about colours and textures representing feelings and emotions. Her challenge is; can the children create a feelings and emotions rainbow picture? The children could use whatever they can find at home. Paint, pencils and collage materials. Things you can find in your houses or gardens.

The pictures could be displayed in your windows to show support from the NHS and we'd love to see photographs of the pictures so please feel free to send them into us via admin@gbpa.org.uk Perhaps when we get back to school we could make a big display showing all the lovely rainbows together.

Don't forget, the work is an offer and there's no pressure. We know that you will be trying to balance work and child care alongside supporting the children with their work. If you need to streamline the work or take a break that's fine.

I will be in touch again during the week.

Take care and keep safe.

Sarah Evans
Headteacher
