

Reading Week

Monday 30th—Friday 4th October 2019

Reading is a crucial skill for our children to learn but above all a love for reading and books equips our children for life.

Throughout the week, there will be exciting activities going on all about reading in school. Every child will be learning the poem 'Rhythm of life' by Michael Rosen, introduced to new and exciting texts, sharing their own favourite stories and engaging in fun creative activities themselves.

In KS2 we are launching our new reading programme : **VIPERS**

At home, to encourage reading, why not try our competition:

'GET CAUGHT IN THE WILD READING'. Take a photo of your child reading in the wildest of places and send it in to school.

Home task: Choose your favourite book and put it in a jar. e.g.. if you love Captain Underpants, then put things that link to the story in a jar and take it to the library with your name on (you have until half term).

Finally ,don't forget to pop into our Book Fair in the library after school from Wednesday 2nd October to Wednesday 9th October.

I am really looking forward to our reading week,
Mrs Humphrey
