

Great Barford C of E Primary Academy Parent Forum

We would like to invite parents and carers to express their interest in joining our new parent forum. We would like 2 representatives from each year group to join myself, Mrs Barrows and representatives from both our Academy Council and the Unity C of E MAT Board.

The aim of the forum is to develop stronger parent school links and to tackle issues in order to move our school forward for the benefit of the children

At this stage we envisage monthly meetings taking place in the school during the early evening. The agenda for the meetings will initially be driven by the most frequently asked questions and concerns raised during the post Ofsted meeting on Tuesday 2nd April. Following on, we will use questionnaires to gauge wider parent attitudes and use them as a starting point to develop and improve.

If there are more than 2 volunteers that come forward for a particular year group an election will be held for the parents of that year group to decide who will represent them.

I look forward very much to working with you.
