

Subject: School reopening Tuesday 5th January

Date sent: 3<sup>rd</sup> January 2021, 5:03pm

## Great Barford C of E Primary Academy

Dear All,

Following on from my email earlier today, I can now confirm that we will be reopening our school for the children on Tuesday 5<sup>th</sup> January.

This decision has been made through thorough risk assessment, by following government guidance and after discussion with members our Board.

Once again, can I reassure you that we have a robust risk assessment that has been in place and we have been following throughout the pandemic. It has been updated and adjusted in light of the latest risks and guidance published on 30<sup>th</sup> December 2020.

If the government makes any further changes to their directive, I will contact you and let you know the revised arrangements.

Please ensure that the children have safe entry and exit to the school by wearing a face mask, maintaining social distancing and remembering that only one adult per family is to bring the children to school.

Please see my previous email and the school website for the latest guidance.

I look forward to welcoming the children back to school on Tuesday morning.

Kind regards,

Sarah Evans
