## Bishop Richard's Visit

On Wednesday, the Bishop of Bedfordshire visited the school. He enjoyed a tour of the school and then joined us for a school assembly in which we shared the journey that we had been on so far in converting to an academy, a primary school and becoming a church school. He then blessed and dedicated our school as we begin our journey of being a Church of England primary school. We were joined by the school governors, members of the MAT board, and the new vicar Rev. Graham Buckle and his wife Davina.

I would like to thank the vast majority of our community for parking avoiding double yellow and zig zag lines and with respect to local residents and their property.

Unfortunately at the end of the school day last Friday a member of the school staff suffered verbal abuse from someone who chose to park illegally.

The safety and well being of our children and my staff is my prime concern. Anyone parking illegally will be asked to move. May I also remind anyone who feels that this does not apply to them that the Police do regularly patrol and issue tickets.

Abusive behaviour will not be tolerated and appropriate action will be taken.

Mrs Evans

## Thought for the week....

As well as being kind and showing compassion in what we do for other people, it is most often the things that we say, that people remember.
