Year 4 Grafham Water residential

The Kestrels had a fantastic time this week at Grafham water. Residential visits are a great opportunity for children to grow in both confidence as well as developing their skills as leaders and team members. They took part in archery, canoeing, kayaking, high ropes, Grafham challenge (blind fold assault course), bush-craft, power kiting, low ropes and paddle-boarding. The children should be so proud of how brave they were, trying activities that were outside of their comfort zone. Their behaviour was impeccable and they were a credit to our school.
