LO: to describe a setting using prepositional phrases

in the distance

in the sky

next to me

under a log

inside the tree

underneath my foot

between the branches

frightening, lonely, scared, worried

dark, damp, black, brown, deep, big, musty,  
cold.

Use the prepositional phrases and the images of the forest to describe yourself walking through the deep, dark forest...

- *How did you feel?*

- *What did you see?*
