Find out what your cabin would have been like:

Whereabouts would your cabin have been?

What would the decor have been like; look at materials, colours and patterns.

What would have been in your room?

What might your luggage have looked like?

Either:

1. Use an empty cereal box and bits from around your home; create the room you think you would have travelled in.

Or

2. Draw/collage your room, as you think it would have been.

Keep your room and bring it into school with you when you return.

Let's see if we can create one of these!
