## FIVE WAYS TO WELLBEING

The children have taken part in our mental health and wellbeing week including activities around internet safety day. It was great to see the children taking part in the express yourself day on Friday. They all looked amazing. A big thank you to Mrs Collins who planned the week for us.

Next week we have our break the rules day event on Friday. I know the children can't wait. Please see the flyer on page 3 for details.

Congratulations to the **Blue** and **Yellow** teams who came joint first collecting golden coins this half term. They have non-uniform day on Thursday 15th. Please note that the normal rules apply ie.no hair dye, football kit etc. Save the exciting stuff for Friday!

## Head Lice

We are currently experiencing high cases of head lice throughout the school.

They are very common in young children and their families. They do not have anything to do with dirty hair and are picked up by head-to-head contact.

If you notice your child has head Lice, please treat as soon as you spot them. You can treat head lice without seeing a GP.

You should check everyone in the house and start treating anyone who has head lice on the same day.

There is no need to keep your child off school once they have started treatment.

**Please ensure longer hair is tied back at all times.**
