Captain Tom's 101 Challenge

During our Celebration Worship today we talked to the children about how they can get involved in the 101 challenge that is being run by the Captain Tom Moore Foundation to commemorate what would have been Captain Tom's 101st birthday on 30th April.

I have copied a link below of a video that we shared with the children this morning. We would love you to send us photographs of the children and families who are taking up the challenge. We have asked the children to be creative with their ideas. We are going to create a display of all the pictures and will share the children's achievements with the foundation. We can't wait to see what the children come up with.
