Evidencing the Impact of the Primary PE and Sport Premium

at Great Barford Primary Academy

2021-2022

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2022:	Areas for further improvement and baseline evidence of need:
Successful implementation of new scheme of work across the school with very positive feedback from staff and children More staff CPD delivered this year including gymnastics and Balanceability. Swimming for Y2 and Y4, with top up sessions for Y6 were able to take place, ensuring we are back on track with providing the means for as many children as possible to achieve the end of KS2 targets for swimming and water safety. Some return to competition, particularly during the Summer Term, including some Level 2 events held this year with good results. A very successful Playleaders programme implemented with daily KS2 physical activity sessions organised and run by the Playleaders. More children becoming physically active as a result of the offer. Playleaders have raised the profile of physical activity in the school by using weekly awards in assembly, and supporting KS1 and Foundation Stage sports events.	Explore and implement opportunities for outdoor learning. Implement CPD for all staff on use of the traversing wall.
