

## RE – The Holy Trinity

Hello Swans,

I hope you are well, this Half Term we will be learning about The Holy Trinity. I'd like you to start with looking through the PowerPoint called The Holy Trinity.

There is a video clip to watch plus two questions to answer on slide 7.

Your activity, is to design your own Holy Trinity symbol or picture that represents you.

You can do this as a drawing, painting, in 3d or on the computer.

Remember the Trinity has 3 parts that make up the whole, so what 3 things do you think form the person you are?

For example,

If Mrs Campbell is the whole Trinity, my 3 things, would be

- My Family,
- My enjoyment of Reading,
- My love of glitter and sparkles

Those 3 things have made and make me into the complete Mrs Campbell!

Remember there is no right or wrong answers here. However, I'd love to see some of your creations, so if you can upload a picture onto the Swans blog, for us all to see, that would be great.
